

Name:

- Evil Robot Wranglers

Motto:

- We make evil robots

Norms:

1. Turn in assignments on time.
2. Message other members if you're going to miss something. Class, meeting, assignment, etc.
3. Be considerate of other people, and their time.
4. Comment your code, within reason.
5. Assign problems to groups of at least 2.
6. If you break the contract, you must get pointed at at weekly standup.
7. If allowed, the robot must have a mustache.
8. We will attempt to make the robot reasonably fast at completing it's goal.

Meetings:

- After Tuesday class 4:10 to 5:10

Project Management

- Github for file sharing, and possibly project management.
- Make a project outline on google docs at the first meeting.

Communication:

- Discord groupchat.

Roles:

- Git Master - Liam Waaga
- Anything but discord mod (Communications Direction) - Kosta Lekos
- Project Manager - Micheal McKenzie
- Scribe + Submitter - Liam Hastings
- Weekly Stand Up Manager - Micah Patelli

Signatures:

1. Liam Hastings
2. Micah Patelli
3. N Liam Waaga
4. Kosta Lekos
5. Michael McKenzie
